**Front Squat Harness
Strength Cycle
12 Weeks**

Front Squat Harness Strength Cycle.

I get asked all the time about weights lifted with the Front Squat Harness, what are good weights to be lifting at my bodyweight, what the heaviest weight shifted with the Harness etc

As sole manufactures and worldwide distributors of the Getstrength Front Squat Harness since 2001, we at Getstrength.com have seen some huge numbers lifted with this harness.

In addition, since introducing the New Generation Harness we have seen these numbers increase to a whole new level.

So we recently decided to start a record keeping board with the use of Youtube Video, we can now keep a record of all lifts done with the Harness.

Re: World Records.

<http://www.getstrength.com/Advanced-Strength-Development/front-squat-harness-world-records.html>

After having a bit of fun setting these targets I have put together a 12 week Training Program purely based upon increasing my 1RM in the Front Squat with the Harness.

A basic westernized Strength Cycle would look like this:

4 weeks of 8

4 weeks of 5

4 weeks of 3

Record Attempt

What I have tried to do is mix a basic westernized Strength Cycle with Eastern methods (Louie Simmons)

After setting a 1RM in the Front Squat with a Harness the program template would like this:

**Manufactures and Worldwide distributors of the Getstrength Front Squat Harness
since 2001**

Week 1 Monday – Squat Option Max Effort 5 Reps
Week 2 Monday – GM Option Max Effort 5 Reps
Week 3 Monday – Deadlift Option Max Effort 5 Reps
Week 4 Monday – Squat Option Max Effort 3 Reps
Week 5 Monday – GM Option Max Effort 3 Reps
Week 6 Monday – Deadlift Option Max Effort 3 Reps
Week 7 Monday – Squat Option Max Effort 5 Reps
Week 8 Monday – GM Option Max Effort 5 Reps
Week 9 Monday – Deadlift Option Max Effort 5 Reps

When competing for a World Record Front Squat Harness attempt the rules are as follows.

*

You must send in accurate Bodyweight, the lifter must weigh themselves the day of the lift attempt.

*

The lifters upper thigh must be below or parallel to the floor.

Manufactures and Worldwide distributors of the Getstrength Front Squat Harness since 2001

*

The attempted must be recorded by video and posted on Youtube.com for a Getstrength.com referee verification. The video must be clear and from an angle with no interference.

*

The lifter must attempt the Front Squat Harness World Record with an official Getstrength.com manufactured Harness.

*

The Front Squat Harness World Record attempt has to be a standard front squat, not on to a box or seat.

Recommend for all records attempts the New Generation Front Squat Harness.

All official attempts will receive a \$20 Getstrength Gift Voucher that can be redeemed at our online shop.

If you are interested in competing for a Front Squat Harness World Record, please email Steve Thompson at info@getstrength.com
